ASHCRAFT'S PLANT NURSERY

Copemish, Michigan

Located four miles south of Copemish on blacktop road.

We have a fine lot of Certified Plants for spring delivery. All plants are guaranteed state inspected, true to name and pronounced free from disease. All plants are raised strictly for plants and all weak tip plants are discarded, leaving only a strong, healthy first grade plant. These are properly dug, graded, and will reach you in first class growing condition.

We have had 35 years' experience growing and shipping small fruit plants. We refer you to the Dept. of Agriculture, Lansing, as to quality of our stock and to Kaleva State Bank at Kaleva as to our reliability.

Order early, 10% down will hold your order. Will ship parcel post C. O. D. for postage, by express collect. We prefer to have you call for them if possible. We wish to thank you for your past business and hope to be of service to you again.

Robinson Strawberry—This new variety is a heavy yielder of high quality fruit. Berries are large, bright red clear through. They ripen about 7 to 10 days later than other varieties, an ideal feature for this climate. The Robinson is an ideal shipper. Set an acre (5500) plants, you can easily net \$1000 an acre.

Price: \$1.60 for 100; \$3.00 for 200; \$4.25 for 300; \$12.00 for 1000; \$55.00 for 5000; \$10.00 per 1000 in lots of 10,000 or more.

Premier

Fairfax—Limited quantity at same price. These are an old standby and need no introduction.
